

Action Plan

Action	Short term	Long term
a. Construction and Development of CAA Cluster Centres which includes warehousing	Construction of 30 own cluster centres	All communities should have their own cluster centres (>50)
b. Training in First Aid	Educate all members on basic first aid assistance and provide coaching and information to ensure that basic first aid is available at community level	All members are familiar with basic first aid and know how to prevent common diseases. All have access to first aid equipment and know who to contact in case of emergency.
c. Farm plotting	Continue plotting of member farms for farm plans	All member farms have farm plans in first year of membership
d. Annual General Meeting	Yearly organised and all members can participate	Continue AGMs
e. Stimulate members to use professional equipment	Equipment awards	New ways of stimulation to use professional equipment
f. Actions for unique emergency circumstances	Example: Food victims received free inputs (2011) Flood Victims	Actions is undertaken for members in emergency
g. Coaching Program (first organized in 2012 on community action day)	Continues Coaching Program where members are actively coached to implement all criteria of the Internal Standard on their farms and in the communities	The philosophy behind the internal standard becomes "a way of live"
h. Cocoa Abrabopa Pension Scheme	Launch of Pension Scheme	Sign up all certified farmers in Pension Scheme
i. Mobile Banking	First pilots	Spread model to all the communities
j. scholarships	Establish possibility of scholarships	Find eligible farmer families and partners to develop a credible system for scholarships
k. Banking Solution		Design and pilot banking solution after mobile banking is implemented.
l. Farmer SIM cards	Set up of collaboration with telecommunication provider	Implement mobile phone solution for all farmers to improve communication between the office and the members and provide members with up to date news and weather forecasts
m. Community Health Initiative and Collaboration with Ghana Medical Schools	Pilot initiative in one of the seven operational areas	Asses initiative and design nationwide scheme
